

July 5th, 2019

American Chemistry Council
700 Second St., NE
Washington, DC 2000

Thank you, American Chemistry Council, for \$50,000 sponsorship to Keep California Beautiful (KCB), for 2018/2019 fiscal year.

2018/2019 year was an Exceptional Year for KCB, with continued focus on education in the schools, with our *K-12 Recycling Challenge* and CAP Colligate Affiliation Program.

- 1) 5 Year totals for K-12 Recycling Challenge: Pounds of Recyclables **5,817,623 lbs**, Schools that participated **1,146 schools**, Competition Population **850,133**, Cash Awards Given **\$101,000**
- 2) KCB received the **Keep America Beautiful Innovation Award for CAP program** and presented the program at the KAB National Conference in Baltimore in February 2019

KCB executive team has been working on several projects with a new Litter APP designed for the KCB CAP participants and local agencies in California.

KCB Executive team will reinstate the Proud Community Program of the past to engage more California Communities as specifically KCB Affiliates.

KCB continues to work with CRRC-California Refuse Recycling Council, CRRRA – California Resource Recovery Association and Started working with Kern County Conservation Corps which is operated by Anthony Chavez, Caesar Chavez's son.

Your donation will go a long way toward promoting KCB's mission of *"Working to ignite individuals, state and local government, community, and corporate responsibility through strategic initiatives and volunteer action to preserve and protect California's beautiful resources for generations to come."*

Again, thank you for your continued support of Keep California Beautiful.

Respectfully,

A handwritten signature in blue ink that reads "Ray Scott".

Ray Scott
Keep California Beautiful
Board President

No good or services were provided in exchange for your contribution.
